Brackwater Robotics - Code of Conduct

Our standards

Treat colleagues, customers and partners with respect. Harassment and discrimination are not tolerated.

Conflicts of interest

Disclose any outside role, investment or relationship that could influence your work for Brackwater. Gifts worth more than $100 must be declared to Legal.

Safety

Never disable a robot safety system, including emergency stops and speed limits, outside an approved test.

Speaking up

Report concerns to your manager, People Operations or the anonymous ethics line. Brackwater does not tolerate retaliation.
